

WRW presents:
Deb Dixon's "Book in a Day" Workshop

Saturday, June 24, 2006
Bethesda-Chevy Chase Service Center
9:00 a.m. - 5:00 p.m.

Description

Deb Dixon's book GMC: Goal, Motivation & Conflict changed the way RWA members speak about the craft of writing, and her seminars are not to be missed. "Book in a Day" is an intensive, full-day workshop designed around GMC and the Hero's Journey with interactive portions. The process shows you how you can put together the important elements of a book and its skeleton in a day.

Fee

This workshop is free to all current WRW members, but non-members will have to pay \$50 to attend it. All who plan to attend will have to register because the room at the Bethesda- Chevy Chase Service Center can seat up to 100 people, and we will have to cap registration at that number.

Information
